

Family Health Plan

Family Health Plan

Overview:

The Family Health Plan is a comprehensive plan tailored to meet the diverse healthcare needs of families. It includes pediatric care, maternal health services, and counseling sessions.

Coverage Includes:

- General check-ups and preventive care
- Emergency care services
- Prescription medications
- Pediatric care (routine check-ups, vaccinations)
- Maternal health services (prenatal and postnatal care)
- Family counseling sessions

Exclusions:

- Cosmetic procedures
- International health coverage

Terms and Conditions:

- Annual deductible: \$1,200
- Co-payment: \$20 per visit
- Coverage limited to in-network providers
