

Health Plan Basic

Health Plan Basic

Overview:

The Basic Health Plan is an entry-level plan that offers essential healthcare services to meet your fundamental needs. It is designed for individuals seeking affordable coverage without compromising on quality.

Coverage Includes:

- General check-ups and preventive care
- Emergency care services
- Prescription medications (generic and select brand-name drugs)

Exclusions:

- Specialist consultations
- Advanced diagnostic tests

Terms and Conditions:

- Annual deductible: \$500
- Co-payment: \$20 per visit
- Coverage limited to in-network providers
