

# Health Plan Plus

## Health Plan Plus

### Overview:

The Plus Health Plan offers extended coverage beyond the basic plan, including specialist consultations and diagnostic tests. This plan is ideal for individuals requiring regular medical attention and specialized services.

### Coverage Includes:

- General check-ups and preventive care
- Emergency care services
- Prescription medications (generic and brand-name drugs)
- Specialist consultations (e.g., cardiology, dermatology)
- Advanced diagnostic tests (e.g., MRI, CT scans)

### Exclusions:

- International health coverage
- Dental care

### Terms and Conditions:

- Annual deductible: \$750
- Co-payment: \$15 per visit
- Coverage limited to in-network providers
